Discipline	Number	Course	Total Credits
Anatomy & Physiology¹	BI 102I or	General Biology (4)	3-4
	HP 150 or	Human Body Systems 1 (3)	
	BI 231	Anatomy and Physiology 1 (4)	
Medical Terminology	HP 100	Medical Terminology	3
Physics <i>Choose One</i>	GS 104 or	Physical Science (4)	4-5
	PH 101 or	Fundamentals of Physics (4)	
	PH 102 or	Fundamentals of Physics (4)	
	PH 201	General Physics (5)	
Writing² <i>Choose One</i>	WR 121 or	Academic Composition	4
	WR 122 or	Argument, Research, and Multimodal Composition	
	WR 123 or	Composition: Research Writing	
	WR 227	Technical Writing	

REQUIRED CORE PROGRAM ADMISSION REQUIRED				
Fall 2021 Core Term 1	PTA 100	Introduction to Physical Therapy, online	3	17-18
	PTA 101	Introduction to Clinical Practice 1, online	5	
	PTA 101L	Introduction to Clinical Practice 1 Lab	2	
	Math 65 or higher ³	Elementary Algebra	4	
	BI 233 ^{1,4} or	Anatomy and Physiology 3	4	
	HP 152 ^{1,4}	Human Body Systems 2	3	
Winter 2022 Core Term 2	COMM 115 or	Introduction to Intercultural Communication	4	16
	COMM 218	Interpersonal Communication		
	PTA 103	Introduction to Clinical Practice 2, online	5	
	PTA 103L	Introduction to Clinical Practice 2 Lab	2	

	PTA 132	Applied Kinesiology 1, online	3	
	PTA 132L	Applied Kinesiology 1 Lab	2	
Spring 2022 Core Term 3	PSY 201 ⁵ or	General Psychology	4	18
	PSY 202 ⁵ or	General Psychology		
	PSY 203 ⁵ or	General Psychology		
	PSY 215 ⁵	Lifespan Development Psychology		
	PTA 104	Orthopedic Dysfunctions 1, online	5	
	PTA 104L	Orthopedic Dysfunctions 1 Lab	2	
	PTA 133	Applied Kinesiology 1, online	3	
	PTA 133L	Applied Kinesiology 1 Lab	2	
	PTA 206	Co-Op Seminar, online	2	
Fall 2022 Core Term 4	HP 153	Introduction to Pharmacology	3	14-18
	PTA 204	Neurological Dysfunctions, online	5	
	PTA 204L	Neurological Dysfunctions Lab	2	
	PTA 280A	First Clinical Internship	4-8	
Winter 2023 Core Term 5	PTA 201	Physical Therapy and the Older Adult, online	2	12-16
	PTA 205	Complex Medical Dysfunctions, online	4	
	PTA 205L	Complex Medical Dysfunctions Lab	2	
	PTA 280B	Second Clinical Internship	4-8	
Spring 2023 Core Term 6	PTA 200	Professionalism, Ethics, and Exam Prep, online	4	10-16
	PTA 203	Contemporary Topics in Physical Therapy, online	2	
	PTA 280C	Third Clinical Internship	4-8	

¹ Students who complete [BI 102I](#) as a prerequisite do not need to take another Human Biology course. If [BI 102I](#) is not completed as a prerequisite, students must complete either HP 152, or BI 232 and 233 prior to the end of Fall Core Term 1 in the program.

² Honors courses are accepted.

³ Students who provide evidence of completing a math course **higher than Math 95** are eligible for additional application points.

⁴ Students who provide evidence of completing a **program-eligible Anatomy & Physiology series** are eligible for additional application points.

⁵ Students who demonstrate evidence of completing a program-eligible Psychology course are eligible for additional application points.
